

CM Law

Peer Tutoring Program

How it Works: Successful upper-level students provide one-on-one tutoring to students seeking assistance. Tutors hold weekly office hours in the Legal Writing and Academic Support Suite (LL 214). The primary goal of all our peer tutors is to help you develop sound study and exam taking skills.

Schedule: Hours are posted on the Academic Support bulletin board (by the lockers on the ground floor). An updated schedule is also posted on the Academic Support website at:

<https://www.law.csuohio.edu/currentstudents/academicsupport>.

What Subjects: Most subjects tested on the Ohio Bar Exam (subject to availability) and all first-year courses taught in the Spring semester.

*Tutors cannot provide feedback on any assignments submitted for a grade or included as a course requirement. Other restrictions may apply depending upon your Professor.
