

Jump Start

Tuesday, August 16

2:00 - 5:30 p.m.

Law School Atrium

Take care of logistical matters before school starts!

At the law school: set up your email account, register your Cleveland-Marshall password, and configure your computer to access the CSU wireless network. Plus, see your classrooms and get acquainted with the law building before your full day on Wednesday.

At the University: get your Viking ID Card, parking pass, and textbooks during this time, if you have not done so already. Make sure to walk around and visit the Rec Center and Student Center.

Also, we are hosting the annual **Student Organization Fair** from **4:30-5:30 p.m.** on the upper level of the Law school Atrium. Come see what great student organizations we have and learn their plans for this academic year. It's a great way to meet upper level students!

We encourage you to take advantage of this time so you are fully ready to focus on the study of law during First Years' First Week.
