

Survey Instructions

We have posted the results of the Externship Interest Survey conducted of Chapman University Fowler School of Law students. Unfortunately, in some places the text is cut off, but you should be able to tell what the complete text is by consulting the survey itself, which is also posted. Also, the second question is partially obscured for some reason; it should read “Have you done/are you currently doing an externship?”

There are two ways to copy the Model Externship Interest Survey for use at your law school: 1) Use the attached document to re-create the survey with whatever survey tool you choose, or 2) If you have a Gmail account, you can copy the survey directly by following this link: https://docs.google.com/forms/d/1BuiknFsXdubt_oQV_7WI-N4Q2LFcoLA0GHZcZYDQWi8/edit?usp=sharing. On the upper right hand of the screen you should see three horizontal dots (just to the right of the “Send” button). Click on the three dots, and then select “Make a Copy.” The copied survey will now appear in your own Google Drive, and you can revise it to you tailor it to your own program.
