Graduate Employment: By Type (NALP Data*)

- Private Practice: 56.7%
- Business: 25.5%
- Government: 12.1%
- Public Interest/Judicial Clerkships/Academia: 4.4%
- Unknown: 1.3%

*Data based on 2011 NALP Data. Outcomes in this chart are more favorable because the NALP formula is based on the number of employed graduates rather than the number of graduates in the class.
